

NEERAJ GANDHARVA

Senior Flutter Developer | Senior Android Developer

neeraj_singh06@yahoo.com | +91 7999169403 | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Senior Flutter and Android Developer with 9+ years of experience designing and delivering scalable mobile applications. Expertise in Flutter, Android (Java/Kotlin), Dart, Firebase, REST APIs, CI/CD pipelines, MVVM, and Clean Architecture. Proven track record across FinTech, E-commerce, Astrology, Job Portal, Coaching, and Service-based domains. Skilled in state management (BLoC, GetX, Provider), payment gateway integrations, and cross-platform mobile development.

PROFESSIONAL EXPERIENCE

Senior Flutter Developer / Senior Android Developer

HyperBeans Technologies Pvt. Ltd., Indore | Feb 2019 – Jun 2026

- Architected and delivered 10+ Flutter and Android applications using MVVM and Clean Architecture patterns.
- Integrated Firebase services including Firestore, Realtime Database, FCM push notifications, Crashlytics, and Analytics.
- Implemented REST API integrations, third-party SDKs (Razorpay, PhonePe, PayPal, Stripe, Easebuzz), and OneSignal notifications.
- Established CI/CD pipelines to automate build, test, and deployment workflows, reducing release cycles.
- Improved app performance and user experience through code optimization, caching strategies, and UI refactoring.
- Collaborated with cross-functional teams using Agile/Scrum methodology and GitHub Copilot for productivity.

Senior Android Developer

GeeCom India Services Pvt. Ltd., Indore | Jun 2018 – Feb 2019

- Developed Android applications with REST API integration, SQLite/Room local databases, and performance optimization.
- Built and maintained the GeeCom India e-commerce platform focused on farming and rural India.

Senior Android Developer

Maestros Infotech Pvt. Ltd., Bhopal | Apr 2017 – Apr 2018

- Developed Android applications with a focus on UI/UX improvements and backend integration.

Software Engineer

C-DAC Pune | Jul 2011 – Aug 2014

- Contributed to software engineering projects in a research and development environment.
